Letters are used to indicate the grade in each study.

E, G, F, P and VP stand for Excellent, Good, Fair, Poor and Very Poor, respectively.

Pupils graded E or G are doing successful work. Those graded F are upon an unsafe footing and run some risk of failure. Those graded P or VP have, so far, failed to do passing work. The parents of such are asked to aid the school in seeing that pupils make up their deficiencies before it is too late.

Assignment
